Cl. 47.—Royal Warrant—Service of Sub Lieutenants.

VICTORIA R.

WHEREAS in the second Article of our Warrant of the 30th October, 1871, we did command that sub lieutenants, in order to qualify for the rank of lieutenant, shall be required to serve satisfactorily for twelve months with one of our regiments before going through their course of study;

And whereas it is expedient that the duration of this period should in certain circumstances be modified to meet the exigencies of the service;

It is now our will and pleasure that the period of twelve months referred to be shortened or lengthened at the discretion of our Secretary of State.

Given at our Court at Buckingham Palace, this 28th day of February, 1873, in the 36th year of our reign.

By Her Majesty's Command,

EDWARD CARDWELL.

Cl. 48.—Enlistment, Re-engagement, and Extension of Army Service.

(Issued as a Special Army Circular, on 2nd April, 1873.)

1. The Secretary of State has approved of the following instructions in reference to enlistment, re-engagement, and extension of Army service under "The Army Enlistment Act, 1870."

2. Recruits may be enlisted for the Infantry in such proportions as may from time to time be directed by the Adjutant General for—

I. *Long Service Enlistment*,—i. e., for 12 years' Army service.

For such enlistments, Form A, printed in black ink (W. O. Form 39), will be used;

or,

II. *Short Service Enlistment*,—i. e., for 6 years' Army service and 6 years' Reserve service.

For such enlistments, Form B, printed in red ink (W. O. Form 497), will be used;

ARMY CIRCULARS—continued.

3. For the present, all enlistments for the Cavalry, Royal Artillery, and Royal Engineers, will be long service enlistments,—i. e., for 12 years' Army service.

4. The Secretary of State under the 6th section of the Act, has directed that, until further orders, recruits may be enlisted for one or other of the several regiments, brigades, and corps enumerated below ;

Regiments of household troops { Cavalry.
Infantry.

The Royal Regiment of Artillery.

The corps of Royal Engineers.

Cavalry regiments serving at home as regards the recruiting at head-quarters.

Cavalry regiments serving abroad in cases of recruits enlisted at the station.

Infantry brigades of sub-districts.

Colonial regiments.

The Army Service Corps.

The Army Hospital Corps.

Recruits enlisted at the head-quarters of an Infantry regiment must be enlisted for the sub-district brigade to which the regiment belongs, and they will be liable to serve with either of the linked regiments of the brigade.

5. Recruits may also be enlisted for general service, and when so enlisted will be sent to such regiments, or brigades, as may be open for recruits. They will be posted to such regiments or brigades until within 15 months after their enlistment, they are finally attached to a regiment or brigade.

6. Men enlisted, and soldiers re-enlisted or re-engaged after 9th August, 1870, may, in the cases specified in the 7th section of the Act, be transferred to any regiment or corps of the same arm or branch of the service, and also may, under the 11th section of the Act, be detained, and their service prolonged for 12 months, while a state of war exists between her Majesty and any foreign power, as well as while serving abroad.

7. Any soldier who enlists under the Act, on completing 11 years' Army service, or 9 years in certain cases when ordered for foreign service, may, with the consent of his commanding officer, or other competent military authority, be re-engaged for such a period as shall complete 21 years in her Majesty's service.

Extension of Army Service.

8. Subject to such limitation as to numbers as may from time to time hereafter be fixed, the Secretary of State has decided with reference to section 4 of the Army Enlistment Act, 1870, that soldiers enlisted for short service who are non-commissioned officers, musicians, artificers, or men likely to make good non-commissioned officers may at any time within nine months of the expiration of their six years' service in the Army, be specially recommended for permission to extend their Army service,—i. e., to complete 12 years' service with the colours.

9. At home stations, commanding officers will address their recommendations to the Adjutant-General, and at foreign stations to the general or other officer commanding.

10. When the requisite authority has been granted, the fact that a soldier has been allowed to extend his Army service will be duly entered on his record of service, together with the date of the authority.

11. General officers commanding at foreign stations will report quarterly to the Adjutant-General the number of men permitted to extend their Army service, the ranks and regiments of the men being specified.

12. Commanding officers will take care that section 8 of this clause is made known to the men under their command.

13. Clause 134, Army Circulars, 1870, is hereby cancelled.

CL. 49.—Extra-Duty Pay, Regimental Schools.

It is hereby notified with reference to Article 20 of the Royal Warrant of 30th August, 1871 (Clause 163, Army Circulars, 1871), and Article 31 of the Royal Warrant of 2nd December, 1872 (Clause 2, Army Circulars, 1873), that soldiers holding the appointments of acting schoolmaster, detachment schoolmaster, or soldier assistant in schools, will be allowed extra-duty pay for seven days in the week, except during the school holidays.

CL. 50.—Provost Cooks.

With reference to Clause 169, Army Circulars, 1872, the pay of four pence a-day allowed to provost cooks will be admissible only for the days on which they may be actually employed in cooking for prisoners in the provost cells.

ARMY CIRCULARS—continued.

Cl. 51.—Fines for Drunkenness.

1. No deduction will be made from the soldier's pay on account of fines for drunkenness, whether imposed by sentence of court-martial or by his commanding officer, until all other legitimate charges against him have been satisfied.
2. Paragraph 4, Clause 156, Army Circulars, 1869, is hereby cancelled.

Cl. 52.—Enlistment of Boys trained as Tailors.

1. In every regiment or battalion, boys of good character, not under 14 years of age, who have been trained as tailors, at industrial or other recognized schools, may be enlisted in the proportion of one boy to every 200 rank and file borne on the establishment.
2. These boys will be in addition to the establishment of boys allowed to be specially enlisted as drummers, trumpeters, buglers, and musicians under the provisions of Article 505 of the Royal Warrant of 27th December, 1870; but both classes are to be accounted for in the returns as part of the *effective privates*, and not as supernumeraries.

CONTROL SERVICES.**Cl. 53.—Equipment.—Army Service Corps.**

1. Details of the equipment of a Transport and Depôt Company of the Army Service Corps on the Peace Establishment are issued herewith to officers concerned, in substitution for those promulgated with clause 115, Army Circulars, 1872, which are hereby cancelled.
2. Requisitions will be put forward through the usual channel for the articles which may be required to complete the companies (except the articles referred to in paragraph 3), according to these details, and for the return into store of such as may be surplus.
3. Supplies of pack-saddles, cacolets, and litters cannot be made at present.

Cl. 54.—Regulations for the Supply of Gun Ammunition for the Practice of the Royal Artillery.

Amended proportions to guide the supply of gun ammunition for the garrison batteries of the Royal Artillery for practice are issued herewith in lieu of the details in the Appendix attached to Clause 206, Army Circulars, 1870.

Cl. 55.—Receipt of Stores.

1. On all occasions of stores being received, the officers or others receiving them will ascertain whether the packages have been damaged in transit either by wet, or by being opened, or in any other way. Should any suspicion arise as to their having been tampered with, the circumstance will be at once pointed out to the person conveying the stores, and the packages will be opened, if requisite, in his presence; a note will also be made on the bill of lading, or way bill, of the circumstance.
2. Stores received by number and weight will be carefully counted and weighed, in order to ascertain whether they are correct in both respects, and when stores are packed in cases or bales the packages will be weighed, and the weight marked upon each.
3. All empty ammunition or powder barrels, or packages, will be most carefully examined to see that they are free from iron tacks in the head, and grit and dirt on the staves, before being returned into store.
4. All persons receiving stores will take care on receipt of bales, cases, or packages to compare the weight marked upon them with the actual weight, and see that they agree. In the event of this not being the case, they will have each package opened by itself, and the contents compared with the packing notes contained therein. If the contents are correct, all stores of the same kind will be collected together, and the packing notes will be kept until the articles delivered are compared with the voucher. If any package be without a packing paper, or if the contents of a package do not agree with the packing paper, a report of the circumstance will be made to the controller under whose authority the stores were supplied, the packages or wrappers being kept for further enquiry.

1. In localities where both rifled M. L. and B. L. guns exist, the following are the revised proportions of practice ammunition for batteries of Garrison Artillery:—

Nature of Projectile.					R. M. L.				R. B. L.		Mortar.	Total.
					12, 11, and 10-inch.	9-inch.	7-inch.	64-pr.	7-inch.	40-pr.		
Shells	{ empty	common	10	20	5	5	...	40
		double	10	10
		mortar	25	25
	{ filled	Palliser	5	10	15
		segment	15	10	...	25
Shot	{	shrapnel	10	10
		Palliser	5	5	5	15
		spherical, solid 32-pr.	10	10
	Total				150

2. At stations where there are no guns over 9-inch calibre, the 5 Palliser shot to be fired from such guns will be added to those allowed for 7-inch.

3. In the event of there being no 9-inch guns, the proportion for these guns will be added to 7-inch.

4. If there are no 7-inch guns, the proportion to be fired from the 9-inch guns will be increased by 5 Palliser shot and 10 common shell, and from the 64-prs. by 10 common shell and by 10 32-pr. shot.

5. Should there be rifled M. L. guns only, the additional quantities required to complete up to 150 rounds will be fired from smooth-bore ordnance, according to the proportions laid down in Clause 206, Army Circulars, 1870.

6. Should there be no 64-prs., the rounds to complete will be fired from rifled B. L. guns, adding to such guns 10 common and 10 segment shell, as also 20 solid shot, in the case of the 7-inch segment shell being fired as shot.

7. Should there be 64-prs. only, and no B. L. guns, then the proportion to be fired from the 64-prs. will be increased by 10 common shell and 25 round shot.

8. Should there be no rifled M. L. guns of 7-inch and upwards, the proportion will be—

Nature of Projectile.					M. L. 64-pr.	B. L.		Mortar.	Total.	
						7-in.	40-pr.			
Shells	{ empty	common	25	10	10	...	45
		mortar	25	25
	{ filled	segment	20	5	...	25
		segment	10	10	...	20
Shot, 32-pr.	{ shrapnel	10	10
		25	25
Total					150

ARMY CIRCULARS—continued.

9. At stations where all the above natures of ordnance are not available for practice, the proportions allotted to the guns not available are to be added to that of those that are, under the following conditions:—

10. If 64-prs. are not available, the proportion of 7-inch and 40-prs. will be—

7-inch B. L.	{	common shell,	20.
		segment "	60 (40 as shot).
40-pr. B. L.	{	common "	15.
		segment "	15.
		solid shot	15.

11. When there are no 40-pr. B. L. guns the proportion will be added to the 7-inch, segment shell being substituted for solid shot.

12. If there are no 7-inch the proportion will be added to the 40-pr., but in this case solid shot will be used in place of segment shell fired as such.

13. If mortar practice cannot be carried on, the proportion—25 rounds of 32-pr. shot—will be added to the 64-pr. R. M. L. guns, or the same number of empty segment shell or solid shot, to the 7-inch R. B. L. and 40-pr. guns, as the case may be.

14. In the event of rifled guns of position, or of field guns, forming a portion of the equipment of the garrison or fortress, the officer commanding Royal Artillery may use his own discretion in carrying on practice from such guns: the number of rounds expended will form part of the total allowance of 150 rounds per battery.

15. All Palliser projectiles will be fired with battering charges.

16. All other projectiles will be fired with service charges.

17. All common shell will be fired without fuzes, empty, so far as powder is concerned, but they will be weighted, with sand or other material, up to their normal weight. They will be plugged with wood, the metal plugs being returned to store.

18. Fuzes, with blowing charges only, will be supplied for mortar shell.

19. Divisions of the Coast Brigade will have the same proportions as garrison batteries, the different detachments participating, as far as possible, in the practice.

20. Batteries of embodied Militia Artillery and of Channel Island Militia Artillery, will receive the same supplies as the Royal Artillery.

AUXILIARY, &C. CIRCULARS—continued.**COMMAND OF THE AUXILIARY AND RESERVE FORCES.
CL. 23.**

1. Great Britain has been divided so far as regards the Cavalry of the Auxiliary Forces into two Cavalry districts (see Appendix,* page 28), and a lieutenant colonel has been appointed for each district, who is invested with the command of the Yeomanry regiments, and of the corps of Light Horse and Mounted Rifle Volunteers within his district.

2. The military districts of Great Britain and Ireland (as detailed in the Appendix, page 28) have been divided into 66 Infantry sub-districts. Each sub-district is designated by the number of the brigade belonging thereto, as given in the first column of the schedule to the foregoing Secretary of State's order.

3. The Auxiliary and Reserve Forces portion of each sub-district brigade will consist of the Infantry, Militia and Rifle Volunteer Corps, detailed in the schedule of the Secretary of State's order, together with the Infantry Reserve located in the sub-district. The Line portion of the brigade will have a local connection with the sub-district by means of the brigade dépôt, which has been, or will be, formed therein.

4. The officer commanding the brigade dépôt is invested with the command of the whole of the Infantry Forces within his sub-district, except any battalions of the Line which may be stationed therein.

5. The Artillery sub-districts for Auxiliary Forces are given in the Appendix, page 29. A lieutenant colonel has been appointed for each Artillery sub-district, and he is invested with the command of the Auxiliary and Reserve Forces Artillery of the sub-district.

6. In order that the organization of the Army under the arrangements now approved may be fully understood by the officers of the Auxiliary and Reserve Forces, copies of the General Regulations and Instructions, which have been issued to officers appointed to commands in connection with the localization of the Forces are issued herewith.

CL. 24. CORRESPONDENCE.

1. Under the foregoing arrangements commanding officers in the Cavalry, Mounted Rifle, and Infantry Arms of the Auxiliary Forces will communicate as follows, on those subjects on which, under Clause 16, Auxiliary and Reserve Forces Circulars, 1872, they have hitherto addressed their correspondence to the assistant adjutants general of districts or sub-districts.

2. Commanding officers of Yeomanry Cavalry and Light Horse and Mounted Rifle Volunteers will communicate on the subjects above referred to with the officers commanding their respective Cavalry districts.

3. Commanding officers of Infantry Militia and Rifle Volunteers (with the exception of regiments and corps belonging to sub-district brigades, Nos. 51, 52, 53, and 54), will communicate on the subjects above referred to with the officers commanding the respective brigade dépôts.

4. Commanding officers of Infantry Militia and Rifle Volunteers belonging to sub-district brigades, Nos. 51, 52, 53, and 54, will address their correspondence, on the subjects above referred to, to the Assistant Adjutant General, Home District, as heretofore.

5. Paragraph 1 of Clause 1, Auxiliary and Reserve Forces Circulars, 1870, is hereby cancelled.

6. The officers commanding the dépôts of brigades Nos. 49 and 50, will report to, and correspond with, the general officer commanding the home district upon all matters relating to the regiments and corps of Auxiliary Forces belonging to those brigades, but having their head quarters in the home district.

ADJUTANTS NOT TO HOLD MUNICIPAL OFFICE.**CL. 25.**

When an adjutant of Auxiliary Forces is proposed as a candidate for election to any municipal office, he will claim exemption from serving in such office under the act 5 & 6 Will. 4, c. 76, s. 51, unless he prefers accepting such municipal office to retaining his position as adjutant. The duties of the two offices are considered by the Secretary of State to be incompatible.

CL. 26.**DRESS OF OFFICERS.**

1. Officers of the Army appointed to adjutancies of Auxiliary Forces, under Clause 11 of Auxiliary and Reserve Forces Circulars, 1872, will in all cases wear the uniform of the regiments of Auxiliary Forces to which they are appointed.

* Not printed in Army List.

AUXILIARY, &C. CIRCULARS—continued.

(Issued as a Special Circular on 25th March, 1873.)

2. All officers of the Auxiliary and Reserve Forces (except those of the mounted services), who wear the waistbelt over the tunic, will keep their swords hooked up at levées and drawing rooms.

HONORARY RANK OF ADJUTANTS OF YEOMANRY CAVALRY AND VOLUNTEERS, ON RETIREMENT.**CL. 27.**

Adjutants of Yeomanry Cavalry and Volunteers when placed on retired allowances under the provisions of Article 35 of the Yeomanry Regulations, 1862, and Article 201 of the Volunteer Regulations, 1863, respectively, may be granted the honorary rank of major, when recommended for such distinction by their commanding officers and the general officers commanding the districts to which their respective regiments belong. Adjutants upon whom this honorary rank is conferred will be permitted to continue to wear the uniform of their regiment.

NON-COMMISSIONED OFFICERS TRANSFERRED FROM THE REGULAR FORCES.**CL. 28.**

Non-commissioned officers of the regular Cavalry may be transferred to the permanent staff of the Mounted Arms of the Auxiliary Forces for completion of service after eighteen, instead of after twenty-one, years' service, as at present authorized (*see* Art. 209, Volunteer Regulations, 1863).

RETURN OF ARTICLES INTO CONTROL STORES.**CL. 29.**

1. When returning articles into control stores, officers commanding will invariably send, by post, to the control officer at the station, receipt and delivery vouchers carefully drawn up on W. O. Forms 1219 and 1220. The vouchers will, if possible, be sent on the same day that the goods are despatched.

2. The date and number of the order directing the return of the stores will be accurately inserted in the headings of both vouchers, and a corresponding date and number will be conspicuously marked on the outside of each case or package containing the goods, so as to enable the consignee to identify them immediately on receipt.

3. A detailed list of every article returned, with the numbers, will be entered in the usual manner in both cases.

4. A memorandum will be entered at the foot of the detailed list on the delivery voucher, specifying the date on which the goods were despatched, and the name or designation of the carrier, and mode of transit.

5. The delivery voucher will be signed in the usual manner by the consignor, and the receipt voucher, duly signed by the consignee, will be returned as soon as practicable after the goods have been received.

6. In the case of artillery stores a duplicate of the delivery voucher will be transmitted to the officer commanding artillery in the district, so that he may record the same in his accounts.

7. Paragraphs 6 and 7, of Clause 13, Auxiliary and Reserve Forces Circulars, 1872, are hereby cancelled.

MILITIA.**CL. 30.—Honorary Rank (Revised Regulations).**

1. The Secretary of State for War will be prepared, on the recommendation of commanding officers of Militia regiments, to recommend to her Majesty—

(a) That officers retiring from the service after 15 years' service, of which 10 have been in the Militia, be permitted to retain their rank and wear the uniform of the regiment to which they belonged.

(b) That a step of honorary rank, with permission to wear the uniform of such rank, be granted to officers retiring from the Militia after the following service, viz —

To field officers, with the exception of colonels, after 25 years' service, of which 15 have been in the Militia.

To captains, after 20 years' service, of which 15 have been in the Militia.

To lieutenants, after 20 years' service, of which 10 have been in the Militia.

AUXILIARY, &c. CIRCULARS—continued.

2. The Secretary of State will also be prepared, on the recommendation of commanding officers of regiments and general officers commanding districts, to recommend to her Majesty that a step of honorary rank, on the completion of the same terms of service as in § 1 b, be granted to officers (with the exception of subalterns) whilst serving in the Militia.

3. The rank will be purely honorary. It will not confer the right of any higher command, nor entitle an officer to wear any other uniform than that to which the holder may be entitled by virtue of his substantive commission, and will not involve the issue of a new commission.

4. Except in the case of commanding officers of regiments, the Secretary of State is not prepared to recommend any Militia officer of 60 years of age, or upwards, to her Majesty for a step of honorary rank, except upon such officer's retirement from the service.

5. Officers who served in the Militia during the embodiment of their regiments at the time of the Russian War and Indian Mutiny, will be allowed to reckon such service towards qualifying service for the above privileges at the rate of one month's embodied service for two months' disembodied Militia service.

6. Clause 15, Reserve Forces Circular, 1870, and Clause 34, Reserve Forces Circulars, 1871, are hereby cancelled.

Cl. 31.—Commissions in the Army, and Service of Army Officers in the Militia.

1. The commanding officer of every regiment of Militia of six batteries or companies and upwards will, after the next inspection of his regiment, recommend a lieutenant for a commission in the Army.

2. Recommendations will be forwarded to the Military Secretary through the officer commanding the brigade dépôt of the sub-district, and the general officer commanding the district, who in forwarding them will respectively record their opinions. In the case of the Channel Islands Militia the recommendation must be confirmed by the lieutenant governor.

3. The regulations under which lieutenants of Militia may in virtue of their Militia commissions enter the army as lieutenants will be found in the Appendix to Clause 3, Auxiliary and Reserve Forces Circulars, 1872 (pages 55 to 57).

4. The form of certificate to be obtained is given in the Appendix, page 30.

5. When an officer has within two years obtained a certificate of qualification in drill from a school of instruction, or from a board of officers, he will be examined only in such of the required subjects as he has not already passed in, otherwise he must be examined in the whole of the subjects before a board constituted in the usual way. In the former case, the board in granting their certificate will quote and annex the certificate previously obtained by the candidate.

6. A lieutenant of Militia, who may be recommended for a commission in the Army, will not be required to produce the certificate from the Civil Service Commissioners referred to in pages 55 and 56 of the Auxiliary and Reserve Forces Circular, 1872, above referred to, provided he can produce a certificate from the proper authority that he has taken his degree in arts, or passed the examination specified below, at one of the following Universities.

Oxford, "Moderations."

Cambridge, "the previous Examination."

Dublin, "the final Examination of the Senior Freshman year."

Durham, "the first year's Examination."

Queen's University, Ireland, "the first University Examination in Arts or in Engineering."

Scotch Universities: "The Examination for Candidates for the Army."

London University: "The First Examination" for the Degrees of B.A., LL.B., B.Sc., or M.B.

7. An officer recommended for a commission in the Army who fails in the qualifying examination, will be allowed a second trial at the next opportunity, after which, should he again fail, he will be disqualified for further trials.

8. In the event of a Militia regiment, when a commission is offered, having no candidate for it, or in the event of the candidate nominated failing after a second trial to pass the required examination, the commission will be offered to the regiment next on the roster, which is not included in the number detailed for the current year.

9. Officers commanding regiments of five and four batteries, or companies, will not

AUXILIARY, &c. CIRCULARS—continued.

recommend lieutenants for commissions in the Army until after the inspection of 1874; those of three and two batteries or companies after the inspection of 1875.

10. An officer serving in the Militia may compete for an Army commission. If he is successful, he will not be afterwards recommended as a Militia officer for a commission in the Army.

11. The fact of an officer having been an unsuccessful candidate at a competitive examination for commissions in the Army, will not prevent his being nominated under the foregoing regulations.

12. When questions of priority arise, the seniority of a regiment of Militia will be determined by its numerical sequence; when a regiment has no number, according to its alphabetical order.

Officers of the Regular Army transferred to the Militia.

13. Captains of the Army permitted to join the Militia under the provisions of the Royal Warrant of 24th February, 1873, will be granted commissions as field officers in the Militia in those cases in which the Secretary of State may consider such a course to be expedient.

14. The proportion of captains of the Army transferred to the Militia as captains will not exceed one-fourth of the establishment of captains in each Militia regiment.

15. Captains of the regular Army transferred to the Militia will, during the training of their Militia regiments, receive as training pay such sum as will, with their half-pay, make up the full pay of their Militia rank. They will also be entitled to the usual allowances and travelling expenses under the conditions prescribed by the Militia Regulations.

CL. 32.—Military Instruction and Examinations.

1. Subalterns of Militia who may be attached to a battalion of the regular Army, or to a brigade dépôt, for instruction, under the provisions of paragraph 18 of Clause 9, Auxiliary and Reserve Forces Circulars, 1872, and Clause 5, Auxiliary and Reserve Forces Circulars, 1873, will be required to obtain a certificate on War Office Form 748, see Appendix, page 31 [except as regards subject *d*], before the allowance of 5s. a-day, for a period not exceeding two months, can be issued to them.

2. They will be allowed travelling expenses from and to their place of residence, provided that the Line regiment or brigade dépôt to which they are attached be that nearest to their residence, and that they obtain a certificate as above.

3. An officer obtaining the required certificate will be examined in subject *d* at the next training of his regiment, by a board of officers, consisting of the inspecting officer as president, and a field officer with the adjutant of the regiment as members.

4. Subalterns attending the preliminary drill of their regiments for instruction, under the provisions of Clause 26, Militia Orders, 1873, for a period of one month, will be required to pass an examination in the subjects *b* and *d* named in the certificate [War Office Form 748], but if for a period of more than one month, will pass an examination in subjects *a*, *b*, and *d*, before the allowance of 5s. a-day for the period (not exceeding two months) they may have been under instruction, can be issued. In either case a subaltern of Artillery Militia will be required to pass an examination in subject *e* of the certificate [War Office Form 748,—see Appendix, page 31], and no subaltern will be allowed to attend for a period of less than one month.

5. Forms of certificate of qualification [W. O. Forms 749, 750, 754], to be obtained by lieutenants of Artillery and Infantry Militia for promotion to the rank of captain, and by captains who obtained their commissions as such subsequent to 30th October, 1871, for promotion to be field officer, are given in the Appendix, pages 32 to 34.

CL. 33.—Volunteers for the Royal Artillery.

1. Gunners being at present required for the Royal Artillery, the Secretary of State will, until further notice, be prepared to grant free releases to any men belonging to the Militia Artillery, or Militia Artillery Reserve, who may, with the consent of their commanding officers, volunteer, and be attested and approved for the Royal Artillery as gunners.

2. Recruits should be between the ages of 18 and 25.

AUXILIARY, &C. CIRCULARS—continued.

3. Their height and chest measurement should be as follows :—

4. Clause 16 of Reserve Forces Circulars, 1870, is hereby cancelled.

Cl. 34.—Travelling Expenses—Officers' Horses.

1. When a mounted officer of Militia is proceeding on duty requiring him to be mounted, and is entitled, under existing regulations, to railway conveyance for himself, he will also receive railway conveyance for his horse.

2. In the event of a railway not being available, the allowance of 9d. a-mile will cover the expenses of the horse as well as the cost of the conveyance of the officer and his baggage.

3. A mounted officer ordered to a school of instruction is not required to take his horse with him.

Cl. 35.—Remittances by Militiamen.

1. The Secretary of State for War being desirous of affording Militiamen, when absent from their homes during the annual training of their regiments, every facility for transmitting money to their wives and families, has approved of the following regulations, whereby they may make remittances from their annual bounty by means of post office orders.

2. Militiamen may remit to their wives and families, out of the ordinary bounty and gratuity, but not out of the reserve bounty, the following sums per week : ordinary non-commissioned officers and privates, a sum not exceeding 2s. 6d., re-enrolled non-commissioned officers and privates, a sum not exceeding 5s.

3. On the assembly of regiments for training, captains of companies will make out, in conjunction with the adjutant, a complete list of the names of the men who may desire to avail themselves of this means of remitting money to their families, with the amount to be remitted, the name of the person to whom it is payable, and the place at which the order will be paid.

4. The adjutant will make application for the orders to the local postmaster, on the form attached to this circular, W. O. Form 51 (see Appendix, page 35), and will at the same time hand over to the post office official a cheque for the total sum. The application should be made in sufficient time to allow the postmaster one clear day in which to prepare the orders.

5. These forms of application for post office orders will be supplied by the War Office on requisition, and the postmaster-general has been requested to cause local postmasters to afford every assistance in carrying out the arrangement for remittances.

6. The usual commission, according to the amount of the orders, will be borne by the public, vouched by the receipt of the postmaster.

7. The rules laid down by the post office for the payment of money orders will be found in the Appendix to Clause 26, Auxiliary and Reserve Forces Circulars, 1872; and particular attention is directed to paragraph 2 of that clause.

8. Should any Militiamen wish to avail themselves of the opportunity of remitting any pay, which they may have received, the amounts may be included in the order.

Cl. 36.—Medical Examination of Recruits.

Instructions for the medical examination of recruits for the Militia are issued herewith to officers commanding brigade depôts and Militia battalions. Copies will also be supplied to other officers concerned, on their applying to the War Office.

AUXILIARY, &c. CIRCULARS—continued.

Cl. 37.—Militia Reserve.

1. The quota of men to be enrolled for the Militia Reserve in each Militia regiment is one-fourth its establishment of privates.

2. The Secretary of State relies with confidence on receiving the cordial assistance of officers commanding regiments, and captains of companies, in raising the men required to complete and maintain the above quota.

3. For the future, volunteers for the Militia Reserve must be not less than 5 feet 5 inches in height, and 33 inches round the chest. They must have attained the age of 19 years, have served two trainings, and bear a good character.

4. Captains of companies should exercise great care as to the men they may recommend for enrolment in the Reserve, and during the training they should, in conjunction with the medical officers of the regiment, make themselves acquainted with the general physical capabilities of the men belonging to their companies.

5. The selection of men for enrolment in the Militia Reserve will be made by commanding officers of regiments, in concert with the officer commanding the brigade dépôt of the sub-district to which the regiment belongs, and in the case of Militia Artillery regiments, in concert with the lieutenant colonel of the Artillery sub-district.

6. After the assembly of regiments for training, the men enrolled in former years for the Militia Reserve will be paraded, and the commanding officer and surgeon will carefully inspect them and observe their general "physique," and any men who may appear to have become unfit for military service, will be at once discharged and struck off the strength of their regiments, and their places filled by other eligible volunteers, and men so discharged will be allowed to receive the Reserve bounty for the year in addition to their Militia bounty.

7. With careful attention to the points above mentioned, a rigid medical examination of volunteers for the Militia Reserve will be unnecessary, except in a few special cases.

8. In the event of any men volunteering for the Militia Reserve in excess of the number fixed for the regiment, commanding officers will report the fact to the adjutant general and ask for instructions.

Cl. 38.—Militia Reserve Bounty.

1. In order to preclude any misunderstanding of the regulations governing the issue of Militia Reserve bounty, it is deemed advisable to notify to acting paymasters that a Militia Reserve man is entitled to no more Reserve bounty for his engagement of five years than a total of five pounds.

2. No man who has already received five pounds Reserve bounty on his existing engagement will be paid any further amount for Reserve bounty in respect of a training falling within the period of his engagement. He may, however, receive ordinary bounty (one pound one shilling) and gratuity (ten shillings) in respect of such a training, subject to the rules governing the issue of these allowances.

3. To a man whose engagement will expire during the training may be issued amounts of ordinary bounty and gratuity proportionate to the number of days of the training period falling within his existing engagement, provided he attends for duty on those days. A man whose engagement will thus expire may, with his own consent, be relieved from attendance and furnished with a protecting certificate, and on the expiration of his engagement should receive his discharge.

4. A man whose engagement will expire during the training may, immediately on the expiration of such engagement, be re-enrolled for the Militia Reserve, when he may be paid ten shillings enrolment bounty, five shillings bringing money, and one pound for first instalment of Reserve bounty of five pounds. He may also receive for such part of the training period as falls within that of his new engagement ordinary bounty and gratuity in proportion, subject to the rules governing their issue.

5. A man whose engagement will expire *within* three months after the termination of training may be re-engaged for the Militia Reserve at the close of such training, when he may be paid 10s. enrolment bounty, 5s. bringing money, and 1l. for first instalment of Reserve bounty of 5l.

6. The usual enlisting fee of 1s. is payable in addition to the first instalment of Reserve bounty. The above payments are to be charged in the training pay list against the men's names in the usual manner.

AUXILIARY, &c. CIRCULARS—*continued*.**VOLUNTEERS.****Cl. 39.—Capitation Allowances.**

1. The system of issue of capitation allowances, sanctioned by paragraph 1 of Volunteer Circular No. 35, having now been very generally adopted by Volunteer corps, the old system of issue through the adjutant will be discontinued.

2. Any corps now under the old system, which has a set of rules approved by her Majesty, in which provision for the appointment of a finance committee is made, will furnish at once the information required by paragraph 3 of Volunteer Circular No. 35.

3. When no such provision has been made in the rules approved by her Majesty for a corps, the commanding officer will submit to a general meeting of the corps a rule providing for the appointment of a finance committee, consisting of not less than three members, besides the commanding officer. After the rule has been passed at the general meeting, the commanding officer will forward it (in duplicate) to the Under Secretary of State, War Office, for her Majesty's approval. In the case of an administrative regiment, the rule will be sent through the officer commanding the regiment.

4. The rule must state what persons are eligible to be members of the committee, and whether the members are to be appointed by the commanding officer or elected by the corps; also the number of persons of whom the committee is to consist, and how many are to form a quorum.

5. On her Majesty's approval of the rule being notified to the commanding officer, he will furnish the information referred to in § 2.

Cl. 40.—Pay and Allowances of Adjutants on Leave of Absence.

1. An adjutant of Volunteers may draw full-pay and allowances for continuous or intermittent periods of absence on ordinary or sick-leave, *not exceeding in the aggregate 61 days*, reckoning from the 1st April in each year.

2. The adjutant's pay and allowances will cease if any further leave be taken, unless the absence be on account of sickness duly certified.

3. In the case of duly certified sickness, an adjutant will be granted during any further absence not exceeding six months, full-pay without allowances; but the servants' and forage allowances will be granted to the officer performing the duty if he keeps a horse, or the actual cost of horse hire (not exceeding the above allowances), if he does not do so.

4. If unable to resume his duties at the expiration of this further period, an adjutant appointed for five years only will cease to hold his appointment.

5. An adjutant appointed for an indefinite period will be granted an extension of leave for a further term, not exceeding six months, receiving only a reduced rate of pay, viz., —
5s. a-day, the officer performing his duties receiving servants' and forage allowances, or horse hire as above.

6. If on the expiration of this further term the adjutant is still unfit for the performance of his duties, he will be called on to resign, or will be placed on retired allowance if entitled to it under Article 201 of the Volunteer Regulations, 1863.

Cl. 41.—Certificates of Officers of Artillery Volunteers.

1. When an officer of Artillery Volunteers, holding a certificate of proficiency, has subsequently acquired a competent knowledge of gun drills and repository exercises, other than those in which he was examined when gaining his certificate, the field officer of Royal Artillery, acting as inspector of the Auxiliary Artillery of the sub-district may (at any of his visits to the corps), assisted by the adjutant of the brigade, examine such officer.

2. On the officer duly passing his examination, the inspector will add to the officer's certificate a specification of the further subjects in which he has proved his ability to impart instruction.

Cl. 42.—Rifled Gun Practice.

When recommended by the field officer of Royal Artillery, superintending Auxiliary Artillery, and the general officer commanding in the district, corps of Artillery Volunteers will be allowed, once in each year, to attend rifled gun practice instead of brigade drill, and, if the distance between the head-quarters of the corps and the range exceeds 3 miles, an allowance of 1s. a head for all ranks, as granted under Clause 35, Auxiliary and Reserve Forces Circulars, 1872, for those attending at brigade drill, will be made.

AUXILIARY, &c. CIRCULARS—continued.

Cl. 43.—Supply of Cloth and Head-Dresses.

1. A statement of the prices at which the Army Clothing Department will supply cloths, head-dresses, &c. to Volunteer Corps between the 1st April, 1873, and 31st March, 1874, is given in the Appendix (pages 36 and 37).

2. The supplies required should be demanded on War Office Forms 1638 and 1641.

3. The attention of commanding officers of Volunteer Corps is called to paragraph 130 of the Volunteer Regulations, fixing the time for sending in requisitions. The instructions contained in that paragraph will be strictly adhered to, with the following exception, viz., that requisitions and correspondence will be sent to the Director of Clothing, Army Clothing Department, Grosvenor Road, S. W., instead of to the War Office.

4. Clause 47, Auxiliary and Reserve Forces Circulars, 1872, is hereby cancelled.

Cl. 44.—Camp Equipment.

1. In reference to Clause 14, Auxiliary and Reserve Forces Circulars, 1873, it has been decided that palliasses and bolsters may be demanded in addition to waterproof sheets for Volunteer camps, in the proportion of one for each non-commissioned officer and man.

2. The straw required to fill the palliasses and bolsters will, as heretofore, be supplied on repayment.

YEOMANRY CAVALRY.**Cl. 45.—Instructions for Yeomanry.**

1. A new system of "Dismounted drill" and "Preparation for attack" is given in the Appendix, pages 38 to 47, for the information of officers commanding Yeomanry Cavalry regiments.

The instructions contained therein are to be complied with at once, in place of those in Section XXII, page 137, and Sections VIII and IX, page 161, Cavalry Regulations, 1869.

2. This dismounted drill will not apply to Mounted Rifles, who will, till further orders, carry out the system laid down in the Manual of Drill for Mounted Rifle Volunteers.

3. Yeomanry regiments will only practise the following drill and field movements during their troop drills and permanent duty, as they are quite sufficient for all practical purposes, should their services be required, or should they be brigaded with regular Cavalry.

4. The following sections, Cavalry Regulations of 1869, will be omitted:—

Section IV, page 27.

Section XVI, page 124, as far as it relates to "Reversing the Front."

5. With respect to Section X, page 164, Yeomanry will only be required to "march past by squadrons or troops," "rank past by files" at a walk, "trot past by squadrons" and "troops," perform the "sword exercise" at a halt, and "advance in parade order."

6. As Yeomanry must march past by squadrons when brigaded with regular Cavalry, they will be required specially to practise that movement. In the case of corps with an uneven number of troops, one troop, unless distributed with the other squadrons, can march past as a troop in rear.

7. The movements performed at inspections will be confined to those specified in the undermentioned sections of the Cavalry Regulations of 1869.

8. With respect to Section XIV, mounted skirmishing will be confined to paragraph headed "skirmishers out," page 232, "skirmishers in," page 234, in relation to paragraph 12, dismounted service.

9. As Yeomanry should not attempt to fire mounted, the distance between files must depend on the nature and extent of the ground, and the numbers employed as skirmishers.

10. Yeomanry will also be instructed in Sections XV, page 236, XVI, page 237, and XIX, page 241, Cavalry Regulations, 1869.

AUXILIARY, &C. CIRCULARS—continued.

Cl. 46.—Certificates—Officers of Yeomanry Cavalry.

1. Officers of Yeomanry Cavalry, not above the rank of captain, who may be attached to a regiment of regular Cavalry, under the provisions of Clause 26, Reserve Forces Circulars, 1871, will be required to obtain a certificate on War Office Form, 1659 (*see* Appendix, page 48), before the allowance of 5s. a-day, for a period not exceeding one month, can be issued to them. An officer obtaining a certificate as above, will, upon forwarding the same to the War Office, have the letter "P." placed after his name in the Army List.

2. The forms of certificate to be obtained by officers of Yeomanry Cavalry, under para. 36, Clause 9, Auxiliary and Reserve Forces Circulars, 1872, are given in the Appendix, pages 49 to 51.

Cl. 47.—Medical Attendance.

1. An allowance of 2d. a week for each person, in aid of medical attendance, will be granted on account of the permanent staff of the Yeomanry Cavalry and their families. This allowance will be paid to the medical attendant, and included in the usual quarterly claim for pay, &c., of the permanent staff. The charge must be supported by the certificate of the commanding officer as to the actual number of persons for whom the allowance is strictly chargeable, and by the receipt of the medical attendant.

2. The term "family" will, in the case of the adjutant, include wife, unmarried daughters, and sons under 16 years of age, and in that of the non-commissioned officers and other members of the permanent staff, wives, and children under 16 years of age.

ARMY RESERVE.**Cl. 48.—Exercise.**

(Issued as a Special Circular, 11th March, 1873.)

1. The men belonging to class 2, section D, of the Army Reserve (enrolled pensioners), in the under-mentioned districts, will be called out during the present year for exercise for eight days. Sundays are not to be counted among the eight days, either for pay or duty.

3. The arrangements for the exercise of the enrolled pensioners should correspond as closely as possible with the course pursued at previous trainings, and no charge for drill instructors, either in or out of the force, can be admitted.

4. If arrangements can be made for ball practice, two of the eight days may be so employed, but no expense to the public is to be incurred on account thereof, beyond that sanctioned by War Office letter of 22nd October, 1860. 8. In districts other than those mentioned in § 1, the enrolled pensioners will not be called out for training and exercise during the year 1873; but the instructions contained

Cl. 49.—Enrolment.

1. Soldiers who have been transferred to the 1st class Army Reserve (section C) to complete the unexpired period of their Army engagement, may, on completion of such engagement, be enrolled for section A, 1st class Army Reserve, provided that they are under the age of 34 years and are of good character, that they have been regular in their attendance for pay, and that they have not absented themselves from their registered place of abode during the time they have belonged to the Reserve.

2. Each man will be examined as to his fitness for service, in accordance with paragraph 7 of Clause 9, Reserve Forces Circulars, 1870, and on enrolment they will be required to take the oath prescribed in the form of attestation referred to in paragraph 5 of the clause above referred to.

3. The issue of the allowance for necessaries to such men will be made in strict accordance with paragraph 18 of Clause 9, Reserve Forces Circulars, 1870.

ERRATUM.

In clause 14, Auxiliary and Reserve Forces Circulars, 1873, under the head of "Tents, complete, Circular," the proportion should be "1 for 8 non-commissioned officers and men," and not "1 for non-commissioned officers and men."

The list of University candidates, which was closed for two years from the issue of the Royal Warrant of 30th October, 1871, will be re-opened on the 1st April, 1873. University candidates who apply for appointments during the year 1873, must be within the prescribed limits of age on the date of their application, unless the University certificate of examination cannot be sent with the application (see para. 22), in which case the candidate must be within the prescribed limits of age on the date of obtaining his University qualification.

15. The following will be the mode of selecting the successful candidates at the open competitive examination. After the proper deduction (in accordance with paragraph 11) has been made from the number of marks gained by each candidate in the several subjects in which he has been examined, the remainders will be summed up, and the marks gained by the candidate, in geometrical drawing, at the preliminary examination will be added thereto. The resulting total will determine the place of the candidate in the competitive list ; the successful candidates being those who stand at the head of the list up to the number of vacancies competed for.

Candidates who can produce a university certificate as prescribed in paragraph 22, will be exempted from this examination.

69. For the examination of non-commissioned officers and lieutenants of Militia, boards will be assembled from time to time as the general or other officer commanding may direct. The board will satisfy themselves by examination in the field, as well as by verbal and written answers to questions, that the officer is instructed in the required subjects. The questions are to be written on half margin, and the replies inserted opposite to them. The board will mark in red ink their correction of any mistakes in the answers, and will certify in each case that "the candidate has not received any assistance from books or other sources." The report of the board is to be made on a separate sheet; and when officers of different regiments are examined by the same board, the report in connexion with each regiment is to be made separately. Reports should be tabulated as laid down in General Order 52, 1871; and forwarded, through the general or other officer commanding, to the adjutant general of the forces.

The examination in the three remaining subjects will be conducted by the board, who will satisfy themselves by examination in the field and *vis à vis* questions that the officer under examination not only possesses the requisite knowledge himself, but is able to impart that knowledge in a clear and satisfactory manner to the non-commissioned officers and men under his command.

71. The board will forward their report, together with the written answers to the questions furnished by the Director General of Military Education* (certifying in each case that "the candidate has not received any assistance from books or other sources"), through the general or other officer commanding, to the Director General of Military Education.

II. Examination of Lieutenants of Artillery.

72. For the purpose of conducting the examination of lieutenants of Artillery under paragraph 59, instructions will from time to time be issued to the general or other officer commanding to assemble a board to consist of three members, viz., a field officer (of the Artillery, if possible), an officer of the staff, and a captain of Artillery, or an officer of that corps who has passed the examination. Either the gunnery instructor or the inspector of warlike stores should, when practicable, be selected for this duty. If it be impossible to obtain a staff officer a captain of the line will be substituted; if a second officer of Artillery cannot be obtained, an officer of Engineers should be substituted; but either the president or one member of the board must be selected from the Artillery.

73. That portion of the examination which can be best carried on in writing will be conducted by means of questions prepared by the deputy adjutant general of Artillery, and forwarded to the general or other officer commanding. The questions in Military Law will be supplied by the Director General of Military Education. The *vis à vis* and practical examination will be conducted by the board, who will satisfy themselves that the officer under examination not only possesses the requisite knowledge himself, but is able to impart that knowledge in a clear and satisfactory manner to the non-commissioned officers and men under his command.

74. The board will forward their report, together with the written answers to the questions furnished by the deputy adjutant general (certifying in each case that "the candidate has not received any assistance from books or other sources") through the general or other officer commanding to the Adjutant General of the Forces.

III. Examination of Lieutenants of Engineers.

75. For the purpose of conducting the examination of lieutenants of Engineers under paragraph 59, instructions will be issued to the general or other officer commanding to assemble a board to consist of three members, of whom one will be a field officer. On no occasion when it can be avoided is an officer of Engineers to be a member.

* If any written questions are put by the board the answers need not be transmitted.

GEN. ORDERS (APPENDIX)—continued.

76. The examination papers upon Military Law will be furnished by the Director General of Military Education. The examination in the remaining subjects will be conducted by the board, who will satisfy themselves that the officer under examination not only possesses the requisite knowledge himself, but is able to impart that knowledge in a clear and satisfactory manner. The board will forward their report in the manner directed in paragraph 74.

IV. Examination of Captains for promotion to be Field Officers.

77. The examination in the field may be held at any time by a general officer commanding a district or station, or by an officer selected by him to hold it; if the candidate passes satisfactorily, the examining officer will give him a certificate to that effect in the following form:—

I hereby certify that I have examined _____ in the field, and that I have found him able to command satisfactorily a small force composed of Cavalry, Artillery and Infantry.

78. The examination on paper and *vis à voce* will be conducted by a board consisting of three members, at such times and places as may be directed. The president will be selected at home by the Commander in Chief, and abroad by the general or other officer commanding; the other officers should be field officers, selected by the senior officer at the district or station. One member of the board should be of the same arm of the service as the officer under examination, and on no occasion when it can be avoided is an officer of the same regiment as the candidate, or a garrison instructor by whom the candidate has been instructed, to be a member of the board. The board will satisfy themselves that the officer under examination is fully competent to command a small force of the three arms, and will forward their report, together with the written answers to the questions (certifying in each case that "the candidate has not received any assistance from books or other sources") through the general or other officer commanding, to the Adjutant General of the Forces, for the consideration of the Commander in Chief.

79. If the officer under examination has not passed the examination in the field, the board will conduct that examination.

REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

REGULATIONS RESPECTING FOREIGN MEDALS.

148

523 & 610

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Issued as a Special Army Circular, on 12th May, 1873.)

VICTORIA R.

WHEREAS we deem it expedient to revise the regulations respecting military staff clerks contained in our Royal Warrant of the 27th December, 1870;

Our will and pleasure is that Articles 586 to 603 of the said Warrant, and likewise Articles 801 and 812, so far as they apply to military clerks, be cancelled, and that from the 1st of April, 1873, this our present Warrant be the sole and standing authority in the matters herein treated of.

Pay and Allowances.

1. The daily pay and allowances of the non-commissioned officers and men employed

ARMY CIRCULARS—continued.

as military staff clerks, except military clerks in engineer offices, shall be as follows, and may be issued either weekly or monthly in arrear:—

	Rank.	Pay.	
Superintending clerks	Serjeant-Major.	Per Diem. 5s. 2d.	With the allowances of a 1st class staff serjeant, but no beer money, re-engagement money, nor regimental emoluments of any kind.
Clerks—			
If under the rank of serjeant on appointment.	Serjeant.	3s. 0d.	With the allowances of a 2nd class staff serjeant, but no beer money, re-engagement money, nor regimental emoluments of any kind.
If holding the rank of serjeant on appointment, or, if under the rank of serjeant on appointment, after three years' service, if specially recommended by the staff officer under whom the clerk is serving.	Color-Serjeant,	3s. 6d.	
After three years' service in receipt of 3s. 6d. per diem, if specially recommended as above.	Do.	4s. 0d.	
After three years' service in receipt of 4s. per diem, if specially recommended as above.	Do.	4s. 6d.	With the allowances of a 1st class staff serjeant, but no beer money, re-engagement money, nor regimental emoluments of any kind.
After three years' service in receipt of 4s. 6d. per diem, if specially recommended as above.	Quarter-master-Serjeant	4s. 6d.	
Temporary clerks	1s. 0d.	In addition to the regimental pay of the rank they may hold in their respective corps.

2. Permanent staff clerks employed in Artillery offices shall be allowed 9d. a-day in addition to the above rates, except when employed at the War Office, in which case the additional pay shall be at the rate of 1s. 3d. a-day.

3. The above rates of pay shall only be issued to staff clerks who perform their duties to the satisfaction of our Secretary of State, and shall be liable to reduction in cases where this condition is not fulfilled.

4. Clerks who may be incapacitated by sickness from performing their duties for a period exceeding six months, or whose services can be dispensed with, shall be disposed of at the discretion of our Secretary of State. Clerks whose services have been dispensed with on reduction of establishment, shall, if their duties have been satisfactorily performed, and provided no military inconvenience shall be caused thereby, be re-appointed on the occurrence of a vacancy, and their previous service as clerks shall in that case be allowed to reckon towards increase of pay. Clerks removed from their appointments for irregularity or incapacity shall be transferred as supernumeraries, with the rank that they held in their respective regiments at the time of their appointment as clerks, or with any lower rank to which they may have been reduced by sentence of a court-martial, to any regiment of the same arm of the service at the station at which they may be serving. Such supernumeraries shall be absorbed as vacancies occur in the establishment of their regiments.

5. A staff clerk shall be liable to be transferred from one office or station to another, either at home or abroad.

First Appointments.

6. The military qualifications for staff clerkships shall be an exemplary character, and a regimental service of not less than two years.

7. Candidates shall also, both at home and abroad, pass an examination in such subjects as shall be directed by our Secretary of State. This examination shall be conducted by a paymaster or officer of the Control Department, and an adjutant.

8. When a vacancy occurs in a Staff office or Artillery office, the general or other officer commanding the district or station shall at once report the circumstance to our Secre-

ARMY CIRCULARS—continued.

tary of State, appending to his report a return of any soldiers at the station who may be qualified for the duty. Our Secretary of State shall then decide whether the vacancy shall be filled by transferring a clerk from another station, or by making a new appointment. In the latter case the general or other officer commanding may select a non-commissioned officer or soldier from a regiment or corps serving at the station, with the consent of the officer commanding such regiment or corps. The non-commissioned officer or soldier so selected shall undergo a probation of three months, and if after the expiration of this period he pass a satisfactory examination, and prove to be sufficiently qualified in other respects, he shall (except in the case of Artillery offices) be removed from his regiment, and sign a declaration of his willingness to continue to serve in our Army until legally discharged. This declaration together with a certified copy of the candidate's attestation, the report of the staff officer under whom he may have served as a probationer, and the report of his examiners, shall then be transmitted to the War Office for the confirmation of the appointment by our Secretary of State. A non-commissioned officer or soldier selected for a vacancy in an Artillery office shall be borne as supernumerary to the establishment of his corps.

9. A staff clerk shall be paid during the time of probation as a temporary clerk only; but on the appointment being confirmed the difference between such pay and the minimum pay of a staff clerk shall be allowed from the date of the commencement of probation, and his service as a staff clerk shall also reckon from that date.

10. The establishment of superintending clerks shall be fixed from time to time by our Secretary of State. They shall be selected by our Secretary of State from the general body of clerks in offices of the general staff, and shall be posted at such stations as our Secretary of State may determine.

Leave of Absence.

11. A staff clerk (superintending or otherwise) may continue to draw his full-pay for continuous or intermittent periods of absence on ordinary leave, not exceeding in the aggregate thirty days, reckoning from the 1st of April in each year, provided no extra expense to the public be occasioned thereby. No ordinary leave shall, however, be granted in any year during which a clerk shall have been allowed sick leave for 30 days or more; and sick leave of less than 30 days shall in like manner be reckoned in diminution of ordinary leave.

12. When a staff clerk is absent from duty on account of sickness, the officer commanding at the station may appoint a substitute, with pay at 1s. a-day, should the necessity of the case render such appointment indispensable. The pay of the substitute may in such cases be charged to the public for a period not exceeding 61 days from the date on which the absence of the permanent clerk commenced. But, should the latter continue unfit for duty, the substitute's pay at the rate of 1s. a-day shall be stopped from the pay of the permanent clerk, which, subject to such stoppage, may be issued for a period not exceeding six months from the date of his ceasing to do duty. In the case of superintending clerks, the stoppage shall be 1s. 6d. a-day.

13. A staff clerk at a tropical station shall not be granted leave to England until he has served seven years at the station as a clerk, and shall not be permitted to proceed on such leave until an opportunity occurs of sending him in a troop-ship. During such leave pay, without deduction, shall be allowed for a period not exceeding six months, after which the extra charge to the public caused by the clerk's absence shall be deducted from his pay; and this deduction shall continue until the clerk either returns to his station or is transferred to another station, except in the case of detention while waiting for a passage in a troop-ship, during which time the clerk may be employed on full-pay if our Secretary of State shall so determine.

Acting Pay.

14. If from any cause a superintending clerk is absent from duty, except when on ordinary leave, the clerk appointed to act for him shall be allowed extra duty pay at 6d. a-day.

Pensions.

15. The service of a soldier as staff clerk shall reckon towards pension as a non-commissioned officer.

16. A clerk in an office of the general staff shall not be permitted to retain his clerkship if he obtains his discharge from the Army. If he should desire to remain a staff clerk after completing the period of service entitling him to a pension, an application to this effect should be made by him to the general or other officer commanding in the district, or at the station, where he may be serving, and if such application be recommended by the officer commanding, and approved by our Secretary of State, the appli-

cant, so long as he shall continue to serve as an enlisted soldier, may be continued as a staff clerk in the same manner in all respects as if his term of service were still unexpired.

17. Pensioners employed in other offices than those of the general staff shall continue to receive pay at the following rates, as heretofore:—

	1st Class.	2nd Class.	3rd Class.
On first appointment, and during the first five years' service, in addition to pension ...	5 6	4 0	2 6
After five years' service in each class respectively, in addition to pension ...	6 0	4 6	3 0
After ten years' service in each class respectively, in addition to pension ...	6 6	5 0	3 6

18. Staff clerks who, at the date of the present warrant, may be in receipt of a higher rate of pay than that fixed by Articles 1 and 2 for clerks of the same rank and service, shall be permitted to retain such rates until they become entitled to an increase under the above Articles.

Given at our Court at Windsor, this 2nd day of May, 1873, in the 36th year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

Secretary of State's Instructions on the foregoing Warrant.

1. Any claim on behalf of a staff clerk for an increase of his present emoluments under the above warrant should at once be preferred to the Secretary of State for War by the staff officer under whom the clerk is serving, who will furnish a full report as to the clerk's qualifications, and the manner in which he performs his duties.

2. The educational qualifications of a staff clerk on appointment will be,—

(a.) A good clear handwriting.

(b.) A knowledge of the ordinary rules of arithmetic, including fractions, with quickness at figures.

(c.) Writing from dictation, and composing an original letter with ease and correctness.

CL. 62.—Royal Warrant.—Service towards Good-conduct Pay and Pension.

VICTORIA R.

(Issued as a Special Army Circular on 13th May, 1873.)

WHEREAS we deem it expedient to revise certain of the regulations under which re-enlisted or re-engaged soldiers of our Army are allowed to reckon their former service towards good-conduct pay and pension;

Our will and pleasure is that so much of Article 528, of our Royal Warrant of the 27th December, 1870, as relates to a soldier reckoning his former service on re-enlistment, and Articles 554, 557, 558, 937, 940, 941, and 1132, of our said Warrant be cancelled, and the following Articles substituted in lieu thereof:—

2. A soldier under the age of thirty-four years, of good character, who has been permitted to re-enlist subsequently to the 29th October, 1861, but prior to the 1st August, 1870, into any arm of the service, or to re-engage between those dates into the same arm of the service as that from which he was discharged, within one year of his discharge, shall, subject to the sanction, in each case, of our Secretary of State, be allowed to reckon such period of his former service towards good-conduct pay and pension as has not been forfeited towards those advantages, and may, from the date of re-enlistment or re-engagement, resume the good-conduct badges and rates of good-conduct pay of which he may have been in possession when discharged. Such pay shall not be issued until the soldier shall have joined his regiment or corps.

3. The foregoing Article shall apply to soldiers re-enlisted or re-engaged on and subsequent to the 1st August, 1870, provided that they re-enlisted or re-engaged within a period fixed by our Secretary of State.

4. A soldier re-enlisted or re-engaged, who may have forfeited his claim to be allowed to reckon his former service towards good-conduct pay and pension, by non-compliance with the prescribed conditions as regards the limit of time within which a soldier must re-enlist or re-engage in order to entitle him to reckon his previous service towards those advantages, may be allowed, subject to the sanction in each case of our Secretary of State, so to reckon it, if he have subsequently to his re-enlistment or re-engagement rendered long, faithful, or gallant service, such service being duly certified by his commanding officer, and approved by our Commander in Chief.

ARMY CIRCULARS—continued.

5. A soldier discharged from our Army for incapacity for further service, or for any other cause, who shall, on re-enlisting, conceal the fact or misrepresent the cause of his former discharge, shall not be allowed to reckon his former service towards good-conduct pay and pension, unless he shall, subsequently to such re-enlistment, have rendered long, faithful, or gallant service, as defined in Article 4 of our present Warrant, and shall not again have been discharged for disability.

Given at our Court at Windsor, this 3rd day of May, 1873, in the 36th year of our reign.

By her Majesty's command,
EDWARD CARDWELL.

Cl. 63.—Royal Warrant.—Soldiers' Discharges.

VICTORIA R.

Whereas we deem it expedient to revise the regulations contained in our Warrant of the 27th December, 1870, relative to the discharge of soldiers from our Army;

Our will and pleasure is that Articles 566 to 585 of our said Warrant be cancelled, and that the discharge of soldiers shall in future be regulated by this present Warrant.

General Rules.

2. No soldier can demand his discharge as a matter of right until the expiration of his engagement; but discharge may be granted—

1. On account of unfitness for further service.
2. In consequence of reduction of the military establishment.
3. As an indulgence.

3. Soldiers who shall have been permitted at their own request to continue to serve beyond their second term of service are required by law to give three months' notice prior to claiming their discharge.

4. All soldiers, for whatever reason discharged (except by purchase or as hereinafter specified), are entitled to receive free conveyance to the place of their enlistment.

5. Soldiers entitled to be sent to the place of their enlistment (except those specified in Article 6), may, if they prefer it, receive free conveyance to their homes or intended place of residence, if not involving greater cost than to the place of their enlistment.

6. Soldiers discharged with ignominy, or expressly on account of bad conduct, shall not be allowed to choose a place of residence. Such soldiers shall, as a rule, be sent to the place of their enlistment. In cases, however, in which it may appear desirable that they should be permitted to proceed to their homes, their commanding officers may sanction such a course, provided no increase of expense is involved.

7. Soldiers serving abroad, who originally enlisted in the United Kingdom, are entitled (unless they purchase their discharge), to be sent to this country for discharge. On discharge, they shall receive conveyance in accordance with Articles 5 and 6 of this present Warrant. If, however, such soldiers shall elect to reside abroad, they may (except in the case of men discharged with ignominy or expressly on account of bad conduct), be discharged abroad, and they shall receive free conveyance to any place not involving greater cost than to the place of their enlistment. No subsequent charge for conveyance will be admitted.

8. In the case of discharged soldiers who have re-engaged or re-enlisted, the place of such re-engagement or re-enlistment shall, for the purpose of conveyance on subsequent discharge, be considered as the place of enlistment.

9. A soldier who has enlisted into a regiment in which his father is serving at the time of such enlistment, may on discharge receive free conveyance to the place of his father's enlistment, or to his home or intended place of residence, as provided for in Articles 4, 5, and 6, if not involving greater cost.

10. Soldiers who are transferred to our Auxiliary or Reserve Forces shall receive free conveyance to their new corps, but shall not subsequently have any claim on the public for conveyance to their homes or places of enlistment. Men who volunteer from embodied regiments of Militia to the Regular Army, shall on discharge be entitled to be sent to the place where they originally enrolled for the Militia, or to their homes, provided in the latter case the expense do not exceed that which would have been incurred in sending them to the place of enrolment. Otherwise, men enlisted from our Auxiliary Forces will only be entitled to conveyance to the place of their enlistment into the Regular Army, or to their homes if not involving greater cost.

11. A soldier discharged to pension (whether permanent or temporary, but not to deferred pension), or with a gratuity, or on reduction, or from physical unfitness, shall receive the sum of 1s. a-day for twenty days from the date of his ceasing to receive full pay. If, however, a man discharged to pension be entitled to a higher rate of pension

ARMY CIRCULARS—continued.

than 1s. a-day, he shall, in addition, be paid by the officer who makes the first payment of his pension, the difference between the sum of 1s. and his rate of pension for twenty days. Non-commissioned officers discharged for the purpose of proceeding immediately to Militia, Yeomanry, or Volunteer Corps, shall, however, not be granted the shilling a-day for twenty days on discharge provided by this Article.

12. Soldiers who are discharged at the expiration of the first term of their limited engagement, or who are transferred to the 1st Class Army Reserve Force under the Army Enlistment Act of 1867 or of 1870, or who are granted a free discharge as an indulgence, or who are not permitted to re-engage on account of their bad character, or bad character and unfitness, shall receive the sum of 1s. a-day as subsistence money for five days from the date of discharge. Such men, if not provided with conveyance to their homes within five days of their discharge, shall, if they be not supplied with rations at the public expense, be granted subsistence at the rate of 1s. a-day for each day necessarily occupied by them in awaiting conveyance and in travelling to their homes after the fifth day following their discharge.

13. Soldiers who are discharged with ignominy, or expressly on account of bad conduct, shall, when provided with conveyance to the place of their enlistment or home, under Article 12, receive a subsistence allowance for the land journey at the rate of 6d. for any distance beyond 50 and not exceeding 100 miles, and also 6d. for every additional completed 100 miles, provided they are not supplied with rations at the public expense. When on board contract steamers, in which rations are provided at the public expense, no further charge for subsistence will be admissible; but when on board vessels not under contract, in which rations are not provided at the public expense, a subsistence allowance, at the rate of 6d. a-day, may be granted.

14. In all cases when conveyance by rail or steamer cannot be provided, soldiers entitled to conveyance on discharge shall receive marching money at the rate of 1d. a-mile to their place of enlistment or intended place of residence, if not more distant.

15. Soldiers convicted by the civil power at home, if ordered to be summarily discharged from our Army, shall not be entitled to any conveyance or subsistence allowance on release from confinement.

16. Soldiers undergoing penal servitude, if ordered to be discharged from our Army, shall not be entitled to receive any conveyance or subsistence as soldiers on their subsequent release from confinement.

17. A soldier of our West India regiments, or belonging to the Corps of Military Labourers, shall, if entitled to pension, continue to draw his regimental pay-until his pension papers reach him. If not entitled to pension, he shall be granted free rations till he shall reach the place of his enlistment or intended residence, should the latter be not more distant.

Discharge by Purchase.

18. A soldier of good character may be permitted to purchase his discharge, or obtain a free discharge at his own request, upon the terms specified in Articles 19 to 26 if he shall have served the requisite period. The number of men to be so discharged, and their selection, shall be governed by such instructions as our Commander in Chief, with the approval of our Secretary of State, may give from time to time.

19. The sums payable for their discharge by soldiers serving at home, or by soldiers in our Colonies intending to return home, enlisted, re-enlisted, or re-engaged at home prior to the 10th of September, 1864, or abroad prior to the date of the promulgation of our Warrant of the 23rd July, 1864, shall be in accordance with Scales I., II., or III., of Article 29, as they shall elect.

20. If they enlisted, re-enlisted, or re-engaged subsequently to the above-named dates, but before the 27th December, 1870, the sums shall be in accordance with Scales II. or III., of Article 29, as they shall elect.

21. If they enlisted, re-enlisted, or re-engaged at home on or after the 27th December, 1870, or abroad after the date of the promulgation of our Warrant of that date, the sums shall be in accordance with Scale III. of Article 29.

22. Re-enlisted men who are not entitled to reckon their former service towards good-conduct pay and pension, shall pay the sums specified in the first part of Scales II. and III., Article 29.

23. Soldiers who have been transferred from one arm of the Service to another shall, if allowed to purchase their discharge, pay a sum according to the scale laid down for the arm to which they belong at the time.

24. The sums payable by soldiers of the Royal Malta Fencible Artillery shall be in accordance with Scale IV. of Article 29.

25. The sums payable by gun lascars shall be two-thirds of those laid down in Article 29 for Black Regiments.

ARMY CIRCULARS—continued.

26. The sums payable by schoolmasters shall be 50*l.*, unless our Secretary of State shall in special cases think fit to diminish the amount.

27. Service in all ranks above that of corporal shall reckon as good-conduct service.

28. If after purchasing his discharge a soldier shall re-enlist within six months, and shall be reported by his commanding officer as likely to continue efficient after such re-enlistment, portions of the purchase-money may, at the discretion of our Secretary of State, be restored to the individual by whom it was paid, as follows:—

5 years' former service and under	one-half.
Over 5 and under 10	one-third.

36. Soldiers enlisted, re-enlisted, or re-engaged at home on or after the 27th December, 1870, or abroad subsequent to the promulgation of our Warrant of that date, are not eligible to be discharged with gratuities.

Given at our Court at Buckingham Palace, this 9th day of May, 1873, in the 36th year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

Cl. 64.—Royal Warrant.—Promotion of certain Captains in the Army and Royal Marine Forces.

VICTORIA R.

Whereas by the 36th Article of our Warrant of the 27th December, 1870, we did prescribe certain conditions under which a captain in our Army may attain the rank of major;

And whereas, for divers reasons us thereunto moving, we are desirous of promoting from the rank of captain to major certain officers of our Army and Royal Marine forces, whose cases do not fulfil the conditions prescribed by the aforesaid Article of our Warrant;

It is our will and pleasure that the conditions therein referred to, so far as they have not been already altered by us, be dispensed with, for the purpose of enabling us to promote from the rank of captain to major, the officers whose names are enumerated in a certain submission paper which has been laid before us, bearing date the 6th of this present month.

Given at our Court at Balmoral, this 20th day of May, 1873, in the 36th year of our reign.

By Her Majesty's command,

EDWARD CARDWELL.

Cl. 65.—Commissions.

1. The Queen has been graciously pleased, by an order of Her Majesty in Council, dated 5th May, 1873, and published in the "London Gazette" of the following day, to direct:—

- "1. That to each person appointed by Her Majesty to the rank of sub Lieutenant, " or to any other rank upon probation, in her Land, Royal Marine, Militia, " Yeomanry, or Volunteer Forces, there shall be forthwith issued from the " office of one of Her Majesty's principal Secretaries of State, or in the case of " the Royal Marines from the Lords Commissioners of the Admiralty, a com- " mission in one or other of the forms mentioned and set forth in the Schedule " (A), which commission shall be signed by the said officer commanding in " chief and one of Her Majesty's principal Secretaries of State, or in the case " of the Royal Marines by the Lords Commissioners of the Admiralty, and " shall give probationary rank in the force named therein from the date of " Her Majesty's appointment of such officer.
- "2. That all first commissions to permanent rank granted to an officer in Her " Majesty's Land, Royal Marine, Militia, Yeomanry, and Volunteer Forces, " shall be issued under Her Majesty's Royal Sign Manual, and shall be in " one or other of the forms mentioned and set forth in the Schedule (B).
- "3. That to each officer hereafter promoted in Her Majesty's service, and not " holding a permanent commission as aforesaid, a commission shall be issued " in one or other of the forms mentioned in Schedule (C), which commission " shall be signed by the said officer commanding in chief, and one of Her " Majesty's principal Secretaries of State, or in the case of the Royal Marines " by the Lords Commissioners of the Admiralty.
- "4. That to an officer commissioned in the manner and in the form mentioned " and set forth in this order and in Schedules (B) or (C), no other commis- " sion shall thereafter be issued, but his future appointment by promotion, " exchange, transfer, or otherwise, as and when approved by Her Majesty, " shall be notified by one of her principal secretaries of state, or in the case " of the Royal Marines by the Lords Commissioners of the Admiralty, in the " London Gazette, and every such officer shall be entitled by virtue of his " commission, to hold and exercise the rank to which he has been so appointed " according to the notification thereof in the London Gazette.
- "5. That par. 2 of the order of the 7th of June, 1862, so far as it may be inconsis- " tent with this order, shall be construed as hereby amended or revoked, but " that neither this order, nor anything contained therein, shall be construed

ARMY CIRCULARS—continued.

"to prevent Her Majesty from signing any commission, or to prevent any commission so signed from having the same validity and effect as if this order had not been made.

- "6. That where, before the said 31st day of May, 1873, any person has been first appointed to an office in Her Majesty's Militia, Yeomanry, or Volunteer Forces, under her Majesty's Royal Sign Manual, but no commission has been issued to him signed by Her Majesty, then that a commission shall be issued to every such person so appointed as aforesaid, signed in manner following, that is to say, by the said officer commanding in chief, and by one of Her Majesty's principal Secretaries of State, under the said order of the 12th March, 1866."

Secretary of State's Instructions on the Order in Council of 5th May, 1873.

2. In accordance with the Order in Council quoted above, and with reference to Arts. 167, 261, and 451 of the Royal Warrant of 27th December, 1870, it is hereby notified that commissions will not be issued to, and payment of stamp duty will not be required from, officers of the Land Forces, except in the following cases:—

1. Where stamp duty has become due prior to 6th May, 1873.
2. On first appointment to a probationary commission after 31st October, 1871.
3. On first appointment to a permanent commission after 31st October, 1871.
4. On first promotion or transfer gazetted after 5th May, 1873, of such officers as were in the service prior to 1st November, 1871.

Cl. 66.—Officers on Temporary Half-Pay.

1. An officer who is in receipt of temporary half-pay, and who may, in the usual course, obtain permission to reside out of the United Kingdom, or to accept employment other than in a military capacity under the Crown, will not in future be granted such permission except on the clear understanding that the issue of his temporary half-pay will not be continued beyond the expiration of one calendar month from the date of a vacancy occurring for his re-employment upon full-pay.

2. In the event of his being re-employed his full-pay will commence on the day following the date of Gazette, provided he joins for duty within two months from such date. Should he, however, fail to join for duty within that period, then his full-pay will not be allowed for any day prior to two months before the actual date of joining, except under special authority from the Secretary of State.

Cl. 67.—Travelling Expenses of Officers attending Garrison Instruction.

1. Travelling expenses of officers attending garrison instruction classes will not be allowed except when specially authorized by the general or other officer commanding the district or garrison, who will in each instance report for the information of the Secretary of State for War, the necessity for granting such expenses.

2. Personal allowance will not be granted under any circumstances to officers attending these classes, even should their expenses by railway or other conveyance be specially borne by the public.

Cl. 68.—Travelling Expenses of Military and Civil Subordinates.

1. The second class accommodation to which military and civil subordinates at home are entitled by § 51, Clause 51, of Army Circulars, 1872 (Travelling Warrant) is intended to apply to conveyance on board coasting steamers, and not to conveyance in second class railway carriages.

2. The railway fare of all military subordinates, as stated in the "Instructions" appended to the before-mentioned Clause, must not exceed 1d. a mile.

3. In cases where second class accommodation may not be available, the third class will be resorted to, but under no circumstances will subordinates be allowed the expense of travelling by the first class either in steamers or on railways.

CONTROL SERVICES.**Cl. 69.—Married Schoolmasters and Schoolmistresses.**

1. A schoolmaster married to a schoolmistress is entitled to the same quarters, fuel and light, as are assigned to any other married schoolmaster.

ARMY CIRCULARS—continued.

2. A married schoolmistress, provided her husband is not a schoolmaster, is entitled to the same quarters, fuel and light, as a married schoolmaster; but when married to a schoolmaster she will not be allowed either quarters, fuel, or light, unless separated from her husband by the necessities of the service.

3. The husband of a schoolmistress, who is not a schoolmaster, will not be entitled to quarters, or fuel and light.

Cl. 70.—Army Signalling Equipment.

1. With reference to Clause 132, Army Circulars, 1872, it is notified that two additional signalling lamps will be allowed to regiments and corps for instructional purposes; and commanding officers are authorized to put forward demands on the local controllers for them.

2. Four lamps will, as a rule, be the minimum number that can be employed advantageously with a class. The allowance for four lamps for 30 hours' work will be—

- 6 pints of colza oil,
- 1lb. of cotton waste,
- 2 yards of cotton wick.

3. A class using either a greater or less number of lamps than four will draw in proportion to the above.

4. Commanding officers, in making requisitions for these materials, will state thereon the number of classes for which the supplies are demanded, but the classes are not to exceed three in each year.

5. The articles actually expended will be struck off charge upon W. O. Form 485, as laid down in paragraph 9 of Clause 181, Army Circulars, 1870.

6. Instead of three different kinds of flags of each size, as laid down in Clause 132, Army Circulars, 1872, there will be two only of each size, namely, black or blue; and white with a black or blue stripe.

Cl. 71.—Clothing for Infantry Recruits.

Recruits enlisted for Infantry will not wear the scarlet cloth tunic until they have been dismissed recruit drill, *i. e.*, six months after final approval; the scarlet kersey frock issued to them being sufficient for all parade purposes until the completion of that period.

Cl. 72.—Equipment Accounts.—Brigade Depôts.

1. Officers commanding brigade depôts will account directly with the War Office in regard to the arms and stores of such depôts as, by the regulations and instructions for the localization of the forces, § 9 (G. O. 32), have been placed in their charge, and will conduct their duties in accordance with the regulations laid down in the Revised Army Regulations, Vol. III. (Equipment Regulations), and with the instructions contained in Clause 181, Army Circulars, 1870, and Clause 111, Army Circulars, 1871.

2. Officers in command of regiments to which depôts are attached will, when such depôts are transferred to their respective brigade depôts, take care to send vouchers of delivery and receipt to the officers in command of such brigade depôts, and will include therein all arms, accoutrements, musical instruments, and other equipment, in order that credit may be taken in the accounts for such transfers. They will balance the depôt ledgers alluded to in Clause 174, Army Circulars, 1872, and forward the ledgers to the Controller, Royal Arsenal, without delay.

Cl. 73.—Equipment.—Losses.

1. The attention of commanding officers of regiments and corps is drawn to paragraphs 173 to 175 of the Equipment Regulations, under which they should *at once* apply to the general officer commanding for the assembly of a court of enquiry in cases where articles are lost or destroyed under circumstances which in their opinion should relieve the corps from charge.

2. When the stores are required to be replaced, the proceedings of the court, in duplicate, approved by the general officer commanding, will be returned to the corps, and will be attached to the requisition of the officer commanding on the local controller, in accordance with the regulation quoted.

3. When the articles do not require replacement, the proceedings of the court, when approved, will be returned to the corps and sent to the controller in order to obtain authority to strike the articles off charge.

ARMY CIRCULARS—continued.

4. In all cases, duplicates of the "proceedings" will be attached by officers commanding to their annual equipment ledgers when surrendered for examination, for transmission to the Controller, Royal Arsenal, Woolwich.

5. The following addition will be made to paragraph 173 of the Equipment Regulations:—

"The general officer commanding, having regard to expense, will use his discretion in ordering officers from other stations to serve on courts of enquiry. In ordinary cases such a proceeding is unnecessary. If there is a control officer on the spot, he should form one of the court."

Cl. 74.—Magazines, Ammunition Stores, and Laboratories.

1. The following regulations and instructions are issued herewith to such officers as they may concern, viz.:—

- (a.) General instructions for the guidance of the Royal Artillery in charge of magazines or ammunition stores.
- (b.) Regulations to be observed in making up cartridges, filling shells, and examining ammunition in laboratories in Artillery charge.
- (c.) Regulations to be observed in the employment of lamps for lighting magazines, ammunition stores, laboratories, and their passages.

2. Clauses 101, and 176, Army Circulars, 1872, are hereby cancelled.

Cl. 75.—Pioneers' Appointments.

1. A set of tools for shoeing-smiths has been approved for pioneers' equipment in the Infantry, in lieu of the broad axe and hand-axe, as now carried in black leather case with shoulder-belt, which, together with the case, will be no longer considered part of the pioneers' equipment, and should be returned into control stores on receipt of the new pattern tools for shoeing-smiths.

2. Regiments in possession of valise equipment will carry the shoeing-smiths' tools in two cases on the waist-belt, the contents of each case being as follows, viz.:—

IN NO. 1 CASE.

- 1 Hammer, shoeing.
- 10 Nails, shoe.
- 1 Rasp, farriers', 14-inch.

IN NO. 2 CASE.

- 1 Buffer, farriers'.
- 1 Knife, drawing, farriers'.
- 1 Pair pincers, farriers'.
- 2 Gun spikes (outside).

3. Regiments having the ordinary equipment will have the same description and proportion of shoeing-smiths' tools, but they will be carried in *one* case, with shoulder-belt, similar to the case for small tools.

4. As the pioneer who carries the shoeing-smiths' tools will not have a billhook and case, the present proportion of billhooks and cases, as laid down at page 123, Part II., Section 1, Equipment Regulations [Revised Army Regulations, Vol. III.], will be reduced from ten to nine for service companies of eleven pioneers, and the surplus billhook and case will be returned into control stores.

5. The disposal of the tools to be carried by each of the eleven pioneers (1 serjeant and 10 privates) of the service companies of a regiment will, as far as practicable, be adhered to, according to the detailed arrangement shown in the Appendix, page 31.

6. In carrying out this arrangement the officer commanding will consider the trade or capabilities of the men who are to use the tools, but the stipulation enjoined in paragraph 4, as regards shoeing-smiths' tools, should be strictly adhered to.

7. The serjeant of pioneers will carry the same tools previously carried by the corporal of pioneers.

Cl. 76.—Proportion of Small-Arm Ammunition for Practice of Field Artillery.

1. The establishment of arms for a field battery being now reduced to 12 carbines, the annual allowance of small-arm ammunition allowed for practice will be the same as for Royal Horse Artillery, namely, 200 rounds.

2. The regulations for the supply of ammunition for practice and exercise issued with Clause 206, Army Circulars, 1870, will be amended accordingly, at § 2.

Cl. 77.—Proportions of Ordnance, &c., for Garrison Service.

The annexed details are to be substituted for those given for "Worst No. 14 for cartridges" at page 19 of the Proportions of Ordnance, Ammunition and Stores, published with the Special Army Circular, dated 2nd January, 1873 (Clause 11, Army Circulars, 1873.)

Cl. 78.—Return of Articles into Control Stores.

1. When stores are returned into the charge of officers of the Control Department, commanding officers or other persons returning the articles will invariably send by post to the control officer at the station, receipt and delivery vouchers carefully drawn up on W. O. Forms 1219 and 1220. The vouchers will, if possible, be sent on the same day that the goods are despatched.

2. The date and number of the order directing the return of the stores will be accurately inserted in the headings of both vouchers, and a corresponding date and number will be conspicuously marked on the outside of each case or package containing the goods, so as to enable the consignee to identify them immediately on receipt.

3. A detailed list of every article returned, with the numbers, will be entered in the usual manner in both cases.

4. A memorandum will be entered at the foot of the detailed list on the delivery voucher, specifying the date on which the goods were despatched, and the name or designation of the carrier, and mode of transit.

5. The delivery voucher will be signed in the usual manner by the consignor, and the receipt voucher, duly signed by the consignee, will be returned as soon as practicable after the goods have been received.

6. When stores are returned by carrier, a carrier's note (W. O. Form 1223), detailing the number and description of packages, bundles, and loose articles, and the number of articles contained in each bundle, will be delivered to the carrier. The weight of the stores will also be inserted.

7. Convoy notes (W. O. Form 1091) will be delivered to the officer commanding the convoy or escort, or to the conductor, when stores are returned by that mode of conveyance.

ARMY CIRCULARS—continued.

8. Commanding officers, and other persons having charge of stores are responsible that all such stores are duly accounted for; it will therefore be necessary for them to obtain and produce receipts for every article returned into store, or transferred under proper authority to other regiments, corps, or individual officers.

9. War Office Circular 591, 16th May, 1860, is hereby cancelled.

Cl. 79.—Trigger Testers.

With reference to Clause 212, Army Circulars, 1871, officers commanding regiments and corps who have not yet demanded trigger testers should put forward requisitions on the local controllers for them.

Cl. 80.—Veterinary and Medical Surgical Stores.

1. All instruments and apparatus, required for Veterinary purposes [as laid down at page 19 of the Regulations for the Veterinary Department, dated 1st April, 1872, and issued with Clause 67, Army Circulars, 1872], as well as the articles termed "Surgical Means," at page 20 of the same regulations, will, on and after the 31st August, 1873, be provided by the Control Department of the Army.

2. The stores alluded to will be demanded by officers commanding regiments of Cavalry, batteries of the Royal Artillery, and other mounted branches of the service, and will be accounted for in the equipment ledger, under the same regulations as those laid down in the Equipment Regulations [Revised Army Regulations, Vol. III.].

3. On the date named, the officers who at present account for these stores will balance their accounts, upon War Office Forms 1683 and 1684, in duplicate, and the commanding officer of the corps concerned will sign both documents, adding a certificate to the effect that the stores, shown as remaining on hand, have been duly received into regimental charge, and been brought upon the equipment ledger.

4. One of the documents will be forwarded to the Principal Veterinary Surgeon to the Forces, and the other will be retained as a voucher to support the entry in the Equipment Ledger.

5. Demands on and after the 1st September will, except in cases of urgent necessity, be made quarterly, and, for the present, will be forwarded by the Local Controller to the Controller, Royal Arsenal, Woolwich, for action. After a time, arrangements will be made for local supplies being resorted to.

6. The present mode of accounting for medicines will continue in force.

7. So far as may be necessary the Veterinary Regulations will be amended to conform to the foregoing directions.

(Specially issued, 8th April, 1873.)

His Royal Highness the Field Marshal Commanding in Chief has been pleased to appoint Colonel Robert B. Hawley, half pay 60th Rifles, to be assistant military secretary at head quarters.

Dated 1st April, 1873.

G.O. 32.—Brigade Depôts.

(Specially issued, 8th April, 1873.)

The accompanying "Regulations and Instructions for officers appointed to commands in connection with the localization of the forces," and "Recruiting instructions for the guidance of officers commanding brigade depôts," are published for general information.

Errata in, and Addendum to, "Recruiting Instructions" in question.

Para. 10.—Fifth line, after the word "corps," insert the following, "also men desirous of enlisting in brigades for which the officer commanding the brigade depôt has no authority to recruit."

Para. 21.—Referring to para. 1335 of the "Queen's Regulations and Orders for the Army;" for "W. O. Form 584," read "W. O. Form 560."

Para. 35.—The number of W. O. Form to be sent to the Adjutant General every Saturday is 18, not 19.

[Transmitted with special issue.]

G.O. 33.—Drill.

(Specially issued, 8th April, 1873.)

His Royal Highness the Field Marshal Commanding in Chief desires general officers and officers commanding regiments to cause the accompanying "Instructions on Dismounted Service and Attack" to be carried out in the Cavalry in place of those contained in section XII., page 137, and in sections VIII. and IX., pages 161 and 162 of the "Cavalry Regulations, 1869."

[Transmitted with special issue.]

GEN. ORDERS—continued.

G.O. 34.—Records of Service.

(Specially issued, 8th April, 1873.)

I. New forms of attestations (Long Service, W. O. Form No. 39, Short Service, W. O. Form No. 497), have been approved and will be adopted. They are to be called the "Record of Service," and contain the proceedings of the discharge board, as well as the proceedings on attestation.

II. The re-engagement schedule (W. O. Form 619) will, as heretofore, be a separate document, but on the back of it will be found the medical report to be used in all cases of discharge by invaliding.

III. The introduction of this new form of attestation paper will not render necessary any alteration in the system of recording soldiers' services as laid down in clause 124, Army Circulars, 1869, except in regard to the following details:—

- (a) When a regiment proceeds abroad, the paymaster, instead of, as at present, merely taking with him a copy of the third page of the attestation, will take with him a certified copy of the whole document.
- (b) When a soldier is brought forward for discharge at home, the board will verify the service and record their proceedings upon the original document, instead of, as now, upon a copy.
- (c) When a soldier is brought forward for discharge abroad, the board will report upon the copy in possession of the paymaster; and the original, which has remained at the dépôt, will accompany this copy on the final disposal of the man in the same way as the attestation does now.
- (d) Should, for any reason, a soldier, who has come home for discharge, not be discharged, the copy of his record of service, which accompanied him from abroad, will be sent to his dépôt, and, after it has been compared with the original, the copy may be destroyed.
- (e) In the case of invalids at home, the board will not assemble to record their services until the men have been finally passed as unfit. The general officer commanding will then order the assembly of the board, and report to the Adjutant General, on W. O. Form 85, as usual. Para. 1419, Queen's Regulations, will be modified to this extent.
- (f) In the case of invalids who have been ordered to be discharged but who are unable to proceed to their homes, general officers commanding will, as usual, report to head quarters. Instead of the documents being returned, as at present, they will be retained in the custody of the Adjutant General, until it is announced that the men are able to travel, when the additional service will be inserted. In cases where the parchment certificate has been already received by the regiment, and in order to prevent erasures in that document, a fresh parchment certificate will be sent up for confirmation, and at the same time the original will be returned for destruction. Para. 1435, Queen's Regulations, will be amended accordingly.

IV. The new form of record of service will be kept in the portfolio, W. O. Book 234, and, in order to prevent that portion on which the discharge board will record their proceedings from becoming soiled, the document when transmitted by post, or otherwise, will be so folded as to ensure the fourth page being inside.

V. This form is to be used for all enlistments subsequent to its receipt, and all blank forms of the old attestation papers then remaining on hand are to be at once destroyed.

VI. It will of course be understood that, except in regard to clauses e and f, para. III., these instructions will not be applicable in any way to the cases of men who have been attested on the old form, for whom the "Proceedings of Discharge Board," W. O. Form 83, will still be necessary.

G.O. 35.—Examinations for First Appointment and Promotion.

(Specially issued, 19th April, 1873.)

The accompanying amended regulations regarding the examination of candidates for commissions and of officers for promotion, are promulgated for the general information and guidance of all concerned.

*[Transmitted with special issue.]***G.O. 36.—Military Districts.**

The Queen has been pleased to approve of the counties of Bedford and Hertford being included in the Eastern instead of the Home District; and of the county of Worcester being transferred from the Northern to the Western District.

GEN. ORDERS—continued.

G.O. 37.—Brigade Depot Messes.

1. A mess will be established at the head quarters of each brigade dépôt, which will be credited with one fifth of the contributions of the company officers of each line battalion belonging thereto, assessed agreeably to paras. 290 and 291, "Queen's Regulations and Orders for the Army,"—as well as with the annual subscriptions of the officers of two companies thereof; and the lieutenant colonel, the major and staff, will also pay subscriptions in accordance with regulation.

II. The companies of the line battalions will respectively bring, on joining, a sum of 50*l.*, for the purchase of such articles of equipment as may be necessary, or a sufficient amount of mess property.

G.O. 38.—Appointments to Militia.

With reference to paras. 28, 29 and 30 of the Royal Warrant of 24th February, 1873, the applications of officers who are desirous of retiring on half pay to join the militia should be sent to the military secretary.

G.O. 39.—Regimental Bands.

The following are to be substituted for paras. 374 to 385 inclusive, in "Queen's Regulation and Orders for the Army."

374. The establishment of a regiment of cavalry and a battalion of infantry will include for service in the band one bandmaster, one sergeant, one corporal, twenty privates in the infantry, and fifteen in the cavalry, irrespective of the regulated number of buglers, trumpeters, drummers and fifers. These men are to be effective for service as soldiers, to be perfectly drilled, and liable to serve in the ranks on any emergency—and the numbers stated are not to be exceeded (para. 379).

375. The school of music at Kneller Hall is maintained for the purpose of training bandmasters and musicians, and, in future, the former are to be selected exclusively from enlisted soldiers who have received certificates of qualification at this establishment. Existing arrangements with civilian bandmasters are not, however, to be disturbed.

376. Bugles, trumpets, drums and fifes are supplied from store at the public expense; and her Majesty's Warrant of 26th March, 1873, grants an annual contribution of 80*l.* to the band fund of each regiment and battalion of the line and colonial corps. The following contributions and subscriptions to the band fund are to be levied on regimental officers, the exemption being as laid down in mess regulations.

1st. All combatant officers, on promotion to a rank above that of subaltern, will be liable to pay a contribution, at the discretion of the commanding officer, at a rate not exceeding the increase in the daily pay on promotion for a period not exceeding twenty days; the contribution to be made in monthly payments at such rate for two days. All non-combatant officers will similarly be liable on appointment to pay a contribution of twenty days' pay.

2nd. All officers except subalterns, quarter masters and riding masters will pay an annual subscription not exceeding twelve days' pay, to be made in quarterly payments in advance. These payments, as well as those upon promotion, &c., are to be regulated upon the same principle as prescribed for those to the regimental mess.

377. The accounts of the regimental band funds and all propositions for exceptional expenditure are to be laid before the officers at the periodical mess meetings held under para. 299.

378. Bands are to be dressed in clothing of the same colour as that worn by the respective regiments.

379. Lads and boys incapable of bearing arms, enlisted by special authority for training as musicians, but who are not included in the establishment of bandmen may be clothed like bandmen, provided no additional expense to the public is thereby caused; but this permission is not to be made a pretext for employing soldiers as musicians in excess of the regulated number.

380. When regiments are in garrison, or brigaded, military bandmasters are to take precedence over civilian bandmasters; and when bands are playing together, the military bandmasters are to lead, according to seniority of appointment.

381. The following books of instruction, published by authority, are to be strictly adhered to by the corps to which they appertain, without addition or alteration, either as regards the soundings or their application.

In the mounted services and garrison Artillery.—The "Trumpet and Bugle Sounds for Mounted Services and Garrison Artillery." (1870.)

In the Infantry.—The "Infantry Bugle Sounds," "Instructions for the Fife," and "The Art of beating the Drum."

GEN. ORDERS—continued.

382. It is essential that the band, the bugles, and the drums and fifes, when playing or beating for military purposes, particularly in the slow and quick marches, should adhere strictly to the time which will allow, within the minute, the exact number of steps prescribed in the "Field Exercise." For this purpose the music for slow and quick time is to be practised under the direction of the drum or bugle major, with the plume, until the prescribed cadence has been acquired. The band and the drums are to be frequently practised together, in order that, when relieving each other in the quick march, the cadence may be uniformly and uninterruptedly preserved.

383. Recommendations of men for instruction at Kneller Hall are to be addressed to the Adjutant General of the forces, accompanied by descriptive returns in the usual form, having an additional column for remarks (to be filled up in the handwriting of the commanding officer) showing the musical qualifications and abilities of the candidates, and the object of sending them to the School of Music, whether to train for band-master or otherwise; together with a certificate, signed by the medical officer, "that the men named in the foregoing return have been carefully examined, that they are in perfect health, physically fit for employment as bandmen, and do not present any indication of disease likely to be aggravated by playing on a wind instrument."

384. Care is to be taken in selecting men for this duty, that they are of exemplary character, have musical ability, and that they are capable of turning their instruction to good account on rejoining their regiments.

385. In order to ensure uniformity throughout the regimental bands of the service, the instruments are to be of the same pitch as that adopted by the "Ancient Philharmonic Society." Arrangements have been made whereby instruments for regimental bands may be obtained through the commandant of the military school of music, on more advantageous terms than if procured direct from the instrument makers.

G.O. 40.—Army Reserve.—Discharge of Men as unfit.

I. In the event of a man of sect. C, 1st Class Army Reserve being reported unfit for service, owing to an accident or ill health, the staff officer of pensioners of the district will apply to the officer commanding the brigade dépôt to have the man examined by a military medical officer. Should the medical officer consider him unfit for further service, he will fill in the report on the 3rd page of the proceedings of the discharge board, and the documents will then be forwarded to the general officer commanding the district, for transmission to the Adjutant General, in the same manner as in the case of an ordinary invalided soldier.

II. The certificate of the principal medical officer of the district will not be necessary except when the man pronounced unfit for service happens to be at the head quarters of the district.

By command,

RICHARD AIREY.

Adj. Gen.

His Royal Highness the Field Marshal Commanding in Chief, with the concurrence of the Secretary of State for India in Council, has been pleased to appoint Colonel Ernest

GEN. ORDERS—continued.

Augustus Belford Travers, Madras Staff Corps, to be assistant military secretary for Indian affairs at head quarters, *vice* Major General E. B. Johnson, C.B., Royal Artillery, who vacates that appointment.

Dated 12th May, 1873.

G.O. 42.—Staff.

(Specially issued, 21st May, 1873.)

The Field Marshal Commanding in Chief has been pleased to appoint Colonel Charles C. Fraser, C.B., 11th Hussars, to be one of His Royal Highness's aides de camp, *vice* Major General the Honorable J. W. B. Macdonald, C.B., promoted.

G.O. 43.—Army Reserve.

When soldiers belonging to the Army Reserve die before completing the period for which they were attested for the Army, the discharge documents which, under G.O. of 1868, have been sent to the staff officers of pensioners, are to be returned to the officers commanding the men's regiments if at home, or to officers commanding brigade depôts if the regiments are abroad, for the purpose of being forwarded to the Accountant General with the records of other non-effectives.

G.O. 44.—Brigade Depôts.

Referring to para. 8 of the regulations published with G.O. 32 of 1873, officers commanding depôts, still affiliated to other regiments, will send monthly states, W. O. Form 729, to the brigade depôt to which they belong, though not actually serving therein, to enable the officers commanding to regulate the recruiting.

G.O. 45.—Deserters.

The medical examination of deserters, required by para. 435 of "The Queen's Regulations and Orders for the Army" is to be dispensed with in future.

G.O. 46.—Libraries and Recreation Rooms.

G.O. No. 28, of 1868, is cancelled.

G.O. 47.—National Rifle Association—Army Prizes.

I. The accompanying memoranda, showing the conditions of competition on the 15th and 16th July for the Army prizes and challenge cup, given by the National Rifle Association to be shot for at the ensuing Wimbledon Meeting, are published for general information.

II. Two competitors are allowed to be furnished by each regiment of Cavalry or battalion of Infantry at home, and by each depôt of those on foreign service, with a like number for every 600 men of the corps of Royal Engineers; and commanding officers will transmit one of the accompanying "Forms of Entry" O., properly filled up, to the Adjutant General, and another to the secretary to the National Rifle Association *not later than 1st proximo*, holding the men in readiness to proceed to Wimbledon according to arrangements to be made by the Quartermaster General, under charge of officers to be hereafter named for duty with them. The object of these prizes being to encourage good shooting among the *rank and file*, not more than one sergeant of any battalion will be accepted as a competitor.

III. The men are to be fully equipped in every respect; and special care must be taken in selecting men for the honourable duty, that preference is given not only to those who are good shots, but to such as are also of good character and steady habits, and who will be likely in every respect to do credit to their corps while absent therefrom.

IV. The competition will be with 3-groove long Snider rifles, which, if necessary, can be obtained by Cavalry regiments on loan from the National Rifle Association, on terms which may be ascertained from the secretary. As a pull off of less than 6 lbs. will disqualify a competitor, care must be taken that the locks of the Infantry parties are carefully tested before proceeding to Wimbledon.

V. As the National Rifle Association has decided that Volunteers competing for prizes may, at distances beyond 200 yards, fire "in any position," the same relaxation of the Hythe rules will be allowed to the regular troops competing for the army challenge cup prizes at Wimbledon.

VI. The commanding officer of the battalion which gives the winner in the second stage will be held by the Field Marshal Commanding in Chief responsible for the sale

GEN. ORDERS—*continued*.

custody of the "challenge cup," and for its return to the secretary to the National Rifle Association whenever it may be required.

VII. The names of the winners of prizes will be published in General Orders.

VIII. This order is not applicable to men serving with the brigade depôts.

G.O. 48.—Promotion of Non-Commissioned Officers.

1. With reference to para. 15 of the general regulations and instructions which accompanied G.O. 32, of 1873, officers commanding brigade depôts may appoint lance corporals and lance sergeants, but will make no promotions to the ranks of corporal or sergeant, or appointments of colour sergeants, without previously obtaining the concurrence of the officers commanding the line battalions of the brigade, except in the case of a vacancy occurring amongst the non-commissioned officers of a regiment abroad detailed for duty with a brigade depôt, when promotion to the rank of corporal may be made without previous reference to the officer commanding the line battalion.

2. Promotions at the cavalry depôt (including appointments of troop sergeant majors), and at the depôts at present affiliated to other regiments, are to be governed by the same rules.

3. Para. 509 of the Queen's Regulations and Orders for the Army is hereby cancelled.

By command,

RICHARD AIREY,

Adj. Gen.

INCOME DUTY.

Army Services, 1873-74.

The following instructions are issued for the guidance of all accountants and others making payments on behalf of the War Office :—

- 1st. Income duty is payable at the rate of threepence in the pound sterling on all incomes which, from every taxable source, military or civil, amount severally to £100 or upwards for the year; but persons whose incomes are severally below £300 are allowed a rebate of £80 from the total sum to be assessed. For example: a person whose taxable income is £150 for the year will only be required ultimately to pay income duty on £70.
- 2nd. Incomes severally below £100 for the year, from every taxable source, civil or military, are exempt from income duty. Claims to such exemption are to be made forthwith upon W. O. Form No. 4, if the claimant be within the united kingdom, and W. O. Form No. 5, if he be elsewhere.
- 3rd. All payments to persons whose claims to exemption have not been admitted by the Commissioners for the War Office are, subject to Article 6 of the Income Duty Regulations, to be assessed on issue at the full rate of threepence in the pound.
- 4th. *After the expiration of the year*, persons who claim the rebate of £80 from their several incomes, on the ground that such incomes from all taxable sources, were below £300, are to make declaration to that effect on W. O. Form No. 873, if resident or serving within the united kingdom, and if the income in question shall have been derived wholly from funds under the control of the Secretary of State for War; or to make affidavit on W. O. Form No. 872, if resident or serving out of the united kingdom, however the income may have been derived.
 These claims must be preferred in reference to the year 1873-74, before or on the 30th June, 1874.
- 5th. On the claims to rebate being admitted by the Commissioners, instructions will be issued to the accountants to repay to the several claimants the income duty on £80.
- 6th. Persons resident or serving in the united kingdom whose incomes are not derived wholly from Army sources are to prefer their claims for the rebate to the local commissioners of the districts in which they respectively reside or serve.

By order of the Commissioners,

DENHAM ROBINSON.

War Office, April, 1873.

SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 30th day of September, 1872.

By Order of the said Principal Secretary,

J. C. W. VIVIAN.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.
